HON. LUCIANO D. RAMA, JR.  
Mayor  
Poron, Cebu

Dear Mayor Rama:

This has reference to your letter dated August 24, 2010, addressed SILG Jesse M. Robredo inquiring if there is a way Sec. Robredo can help your municipality in taking over the management of the only port thereat which is currently owned, administered and operated by the Cebu Port Authority. Your letter was referred to this level for reply.

The only way your municipality can take over the operation of the port thereat is by way of an agreement or contract with the Cebu Port Authority. You may submit a proposal on this regard to the governing board of the Cebu Port Authority.

Truly yours,

**PEDRO A. NOVAL, JR.**  
Regional Director
